Task Detail

First Page (Add TODO List)

The image shows a mobile application interface for adding a new task. At the top, a dark blue header bar contains the text 'Completed' and 'TODO LIST' in white, followed by a white plus icon. Below this, a light gray modal dialog titled 'Add TODO List' is displayed. The dialog has a close button (an 'X' icon) in the top right corner. Inside the dialog, there are four input fields: 'Title' (a single-line text box), 'Description (Optional)' (a multi-line text area), 'Date' (a text box with the placeholder 'mm/dd/yyyy'), and 'Time' (a text box with the placeholder '--:--'). At the bottom of the dialog is a 'Save' button. Arrows point from each of these elements to labels on the right side of the image: the close button to 'Cancel Add Task', the title field to 'Task Title', the description field to 'Task Description', the date field to 'Task Date', the time field to 'Task Time', and the save button to 'Save Task Button'.

Second Page (Update TODO List)

The image shows a mobile application interface for updating a task. At the top, there is a dark blue header with a back arrow and the text 'TODO LIST'. Below this is a green bar with the word 'DETAIL'. The main content area is a light gray box titled 'Update TODO List' with a close button (X) in the top right corner. The form contains four input fields: 'Title' with the text 'กินข้าว', 'Description (Optional)' with the text 'เข้า', 'Date' with the text '05/11/2016', and 'Time' with the text '22:22'. At the bottom of the form is a 'Save' button. Arrows point from each of these elements to labels on the right: the close button to 'Cancel Update Task', the title field to 'Task Title', the description field to 'Task Description', the date field to 'Task Date', the time field to 'Task Time', and the save button to 'Save Task Button'.
